NNA is a UK based registered charity which seeks to promote public health by means of tobacco harm reduction (e.g. vaping, snus). We are very effective and we have earned a reputation as the “go to” organisation for tobacco harm reduction. There's still a lot to do though, and we will be more influential with your support. Please complete the form below and we will register you as a NNA supporter and ensure you are regularly updated on NNA activities.
